RE: Application #: DG440343215
Little Munchkins Daycare
92 Mill Creek Avenue
Lapeer, MI 48446

Dear Ms. Rider:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, a provisional license 12 is issued.

Please review the attached documentation for accuracy and feel free to contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please feel free to contact the local office at (810) 787-7031.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive that reads "Catherine Edgar".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Rooms and levels approved for child care use:

The child care home is located in the Andrew's River Estates subdivision in the city of Lapeer. The home is a single-family, one-story home. The basement is approved for child care use. The basement consists of a large playroom, which is approximately 900 square feet, and a nap room, which is approximately 110 square feet. There is also a full bathroom in the basement.

Areas not approved:

The main floor of the home is not approved for child care use.

Ages of children served:

Children ages 4 weeks through 12 years of age will be accepted for child care.

Equipment:

Ms. Rider has a wide variety of age-appropriate toys and equipment for all ages of children in care. She has two pack n plays for infant sleeping.

Proposed days and hours of operation:

Child care hours are Monday through Friday from 6:00am until 6:00pm.

Previous or concurrent licenses, including children's foster care:

Ms. Rider was previously licensed as a family child care home (DF440309848) at this address.

Exiting information (including second floor and basement):

The basement child care use space has two remote exits. The egress window exit meets licensing rules.

Outdoor play area description:

Outdoor play will occur in the fenced back yard of the home. No water hazards were present. Ms. Rider has a large wooden climbing structure with two slides. Because there is currently no appropriate groundcover placed underneath of it, Ms. Rider has signed a statement indicating children in care will not use the play structure until appropriate groundcover is placed underneath of the structure. Ms. Rider has other outdoor equipment for children in care to use.

Additional information:

- Pets? No Yes If yes, describe. A dog (lab) that is kept out of the child care area.

- Fireplace or wood burning stove? No Yes If yes, describe. There is a fireplace on the main floor of the home that will not be used during child care hours.
- Fireplace/wood burner in use during child care hours? No Yes If yes, describe barriers to protect children from burns:

- CPR, first aid, and blood borne pathogen training current? No Yes

Radon test results:

A radon test was conducted and the results were 2.5 pCi/L, which is within normal levels for radon gas.

Explanation of variances, if any:

No variances were requested.

B. Rule/Statutory Violations

The facility is in compliance with all applicable licensing rules.

*Consultation was given regarding the following licensing rule:

- R 400.1923(2)(d) – Diapering & toilet learning (diaper pad).

IV. RECOMMENDATION

I recommend issuance of a provisional license to this child care group home (capacity 7-12).
