II. Purpose of Addendum

The Discovery Preschool room will now serve children under 2 ½.

III. Methodology

12/16/2019 Onsite inspection completed.

IV. Description of Findings and Conclusions

The Discovery Preschool room measures 686 square feet. To accommodate children ages 24 months and up, each child will need 50 square feet. There is more than enough room to accommodate the maximum group size of 12 children this age. This will reduce the capacity of the room/center by seven children. The new center capacity is 113 children.

V. Recommendation

I recommend that the Discovery Preschool room be used for children ages 24 months and older with a new room capacity of 12 children.
