Grand Rapids, MI 49506

Dear Mr. Krommendyk:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, a provisional license with a maximum capacity of 25 is issued.

Please review the attached documentation for accuracy and feel free to contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please feel free to contact the local office at (616) 356-0100.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

Chad Crummel, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Room 100 will be used for before and after school child care and measures approximately 860 sq. ft., which is adequate space for up to 25 children at any one time.

There is an adequate amount and variety of equipment and learning activities available for school-age children.

There are separate boys' and girls' bathrooms in the same hall as room 100. The boy's bathroom has four toilets, 5 urinals, and 2 sinks. The girl's bathroom has 7 toilets and 3 sinks.

There is a large outdoor playground that has a variety of installed playground structures, concrete areas, and grassy areas. The playground area is unfenced and there are no water hazards on the child care center premises.

A variance to the lead risk assessment requirement for this school-age only program was granted on 08/17/2010.

This facility only provides school-age child care. Therefore, a playground safety inspection is not required.

B. Program Description

This school-age child care center serves children between the ages of 4 years 9 months and 12 years.

The program operates from 7:00 a.m. until the start of the school day and from the end of the school day until 6:00 p.m.

The program operates both before and after school.

Snacks are provided for the morning and afternoon sessions. Snacks consist of pre-packaged and fresh food items. Transportation services to and from the child care program are not provided.

Angela Bush is the center Program Director. Ms. Bush has met the educational requirements set forth in the "Licensing Rules For Child Care Centers" rulebook to be named as a school-age only center Program Director.

A variance from the lead risk assessment requirement was granted on 08/17/2010.

C. Rule/Statutory Violations

None.

IV. RECOMMENDATION

I recommend approval of this child care center.
