III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

Jellybean Daycare and Preschool is a new child care center located in Saline, Michigan. The building has two large rooms used for child care:

- East room for Infant and toddlers ages 0-2 ½ years, measures 702.25 sq. ft. divided by 50 = 14 capacity. The sleep room is included in this area.
- West room for preschool and school-age children ages 2 ½ - 12 years, measures 1,296.3 sq. ft. divided by 35 = 37 capacity. Total capacity is 51 children.

There is a full sized kitchen that is not approved space for children.

Equipment: The infant/toddler room is equipped with cribs, infant seats, and toddler sized tables and chairs. Soft toys, stacking cups, books and other safe toys and materials are arranged on shelves and accessible to the children.

The preschool room is sectioned into areas by built in shelves. Areas include: blocks, math/science, art/sensory, reading, computer, and dramatic play. There is open space in the room for music and movement and another area for table activities and eating. School age children will use this room. Board games, computers and books are available for school age children.

Number of sinks and toilets: There are two bathrooms in the center. One bathroom has one toilet and one sink, the other has three toilets and three sinks for a total of 4 toilets and 4 sinks in the center.

Outdoor play area – The outdoor play area is located behind the center. The property is sectioned off, each area is fenced. There are no water hazards. There is no playground equipment at this time. A paved area is available for riding toys.

Documentation if a lead assessment was required and the results: A lead inspection was not required since the building was built in 1983.

Documentation of playground safety: There is no playground equipment at this time to be inspected.

B. Program Description

Ages of children served: Jellybean Daycare and Preschool will care for children ages birth to 12 years of age.

Proposed days and hours of operation: The center will operate Monday through Friday year round from 6:30 AM – 6:00 PM.

Full or part time (AM or PM sessions or both): The center offers full day and half day sessions AM or PM. Before and after school care is offered.

Other program components – Snacks and meals for children over 12 months of age will be provided by the center. Parents are responsible for providing bottles and food for children under 12 months of age. A full time cook has been hired to prepare the food on site. Transportation is not provided by the center.

Name of program director and under what rule the program director is qualified. Jennifer Klapatch is the licensee and program director. She qualifies under rule R400.5103(3)(4).

Explanation of variance(s), if any: N/A

C. Rule/Statutory Violations

The licensee is in full compliance with child care center rules and regulations.

IV. RECOMMENDATION

I recommend issuance of a six-month provisional license for 51 children ages 0-12 years.
