## III. Methodology

03/24/2011 Modification request received

04/25/2011 On-site Inspection Completed

## IV. Description of Findings and Conclusions

The Childtime Learning Center has the following rooms that were measured and approved for the following capacity:

| <u>Room</u>               | <u>Square feet</u> | <u>Room Capacity</u> |
|---------------------------|--------------------|----------------------|
| Room 22 (Toddler)         | 652                | 10                   |
| Room 21 (Infant)          | 501                | 10                   |
| Room 20 (Infant)          | 507                | 10                   |
| Room 15 (Preschool)       | 700                | 20                   |
| Room 17 (Preschool)       | 702                | 20                   |
| Room 16 (Preschool K)     | 959                | 25                   |
| Room 14 (Preschool)       | 885                | 25                   |
| Room 13 (Young Preschool) | 652                | 18                   |
| Room 12 (Toddler)         | 677                | <u>12</u>            |
|                           |                    | Total Capacity: 150  |

The center has an additional room in the rear that is currently not in use. This room will not be used for child care at this time.

There are a total of 9 toilets and 19 sinks in the center. Each infant and toddler room has diaper changing areas with a separate sink for hand washing.

There is an adequate and varied supply of play equipment, materials and furniture for the requested capacity of 150.

Environmental health and fire safety inspections of all areas were completed at the time of original issuance.

**V. Recommendation**

I recommend a change in the capacity from 121 to 150 for the center.
