RE: Application #: DG030318564  
Schwartz, Alaina  
845 137th Avenue  
Wayland, MI 49348

Dear Mrs. Schwarz:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, a provisional license 12 is issued.

Please review the attached documentation for accuracy and feel free to contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please feel free to contact the local office at (269) 337-5066.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

Rebecca Wagster, Licensing Consultant

### **III. DESCRIPTION OF FINDINGS & CONCLUSIONS**

#### **A. Description of Facility**

##### **Rooms and levels approved for child care use:**

The approved rooms on the main level of the home are the kitchen, living room, dining room and two bedrooms. The approved rooms on the lower level of the home are the large play room/family room and the napping room. The bathroom located on the lower level of the home is available for the children to use.

##### **Areas not approved:**

The office and the bathroom located on the main level of the home and the master bedroom located on the lower level of the home are not approved for child care use.

##### **Ages of children served:**

This child care home is authorized to accept children between the ages of newborn through 12 years of age.

##### **Equipment:**

There are an adequate and varied amount of toys and other equipment to accommodate both the age range and capacity.

##### **Proposed days and hours of operation:**

This year round child care home will be open Monday through Friday from 6:00 a.m. until 6:00 p.m.

##### **Previous or concurrent licenses, including children's foster care:**

This child care home provider has no previous child care licenses and is not currently licensed for child foster care.

##### **Exiting information (including second floor and basement):**

There are three means of exiting on the main level of the home. The basement has a stairwell that leads directly to the front door of the home and sliding glass doors that lead directly to the backyard.

##### **Outdoor play area description:**

The fenced in outdoor play area is located in front of the home. The fence has a gate that can be locked to contain the children within the outdoor play area. There is a

climbing structure located in the outdoor play area. There is a sufficient amount of surfacing to help protect children from injury. There is a water retention pond located behind the home. The sliding doors leading to the backyard will remain locked and a board is located behind the slider for additional protection. The children will be supervised at all times while playing in the fenced play yard.
