RE: Application #: DC130378952
Community Unlimited GSRP & Lakeview Territorial
15 Arbor Street
Battle Creek, MI 49015

Dear Ms. Dibert:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, a provisional license with a maximum capacity of 18 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (269) 337-5066.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in red ink that reads "Beth Goding".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Description of Facility

The child care facility is located within the Battle Creek Area Learning Center which houses an alternative education program for teens and the Japanese school education program. The child care will provide a Great Start to Readiness Preschool (GSRP) program for children 3 ½ to 5 years 11 months. The program operates Monday through Thursday during the school calendar year.

Approved space (room numbers, sizes, capacity and ages of children for which each room/well-defined space is approved, etc.):

The GSRP room measures 27.8 ft. x 30 ft. for a total of 834 square feet. The preschool room space allows for 24 preschool children; however the licensee has requested that the capacity be 18.

Equipment: There is an adequate and varied amount of developmentally appropriate equipment for the number of children served.

Number of sinks and toilets: There are 3 toilets and 2 hand washing sinks accessible for child care children.

Outdoor play area - location, fenced or not, water hazards:

The designated outdoor play area is located on the south side of the school building. The area is unfenced and contains no water hazards.

Documentation if a lead hazard risk assessment was required and the results: A risk hazard risk assessment was required and completed. No lead hazard risks were identified.

Documentation of playground safety: The outdoor play area does not contain any play structures which require a playground inspection.

B. Program Description

Ages of children served: Children age 3 ½ to 5 years 11 months.

Proposed days and hours of operation: Monday through Thursday from 8:15 AM until 3:15 PM.

Full or part time (AM or PM sessions or both): The GSRP program will offer full day sessions.

Other program components - transportation, swimming, food service:
The child care program will provide a breakfast, lunch, and snack through the on-site licensed kitchen.

The child care program does not provide transportation services, and no swimming will occur during child care hours.

Name of program director and under what rules the program director is qualified:
Carole Carpenter is the approved program director. Carole was approved under R 400.5113(9)(b) and (13).

Explanation of variance(s), if any: No variances.

IV. RECOMMENDATION

I recommend issuance of a provisional license to this child care center.
