IV. Description of Findings and Conclusions

The terms of the original license have been modified on 10/31/2006 and 11/14/2016.

Ms. Bur stated that the infant nap room is now her office and is no longer used for child care.

Description of Facility

This facility is a one-story home located a just outside the city of Cheboygan.

Rooms and levels approved for child care use:

The approved child care space located in the addition on the west side of the attached garage includes: the main child care room and the bathroom.

Area not approved:

The main part of the house is neither used nor approved for child use. The attached garage is neither used nor approved for child use. The office located in the addition is neither used nor approved for child use.

Ages of children served:

Ms. Bur accepts children ages birth through 12 years.

Equipment:

There is an adequate supply of developmentally appropriate equipment for the requested capacity of 12 children.

Days and hours of operation:

Ms. Bur is open Monday through Friday 7:00 am through 5:30 pm.

Previous or concurrent licenses, including children's foster care:

Ms. Bur was previously registered for child care at the same address, DF160084527, from 01/04/99 through 05/26/04. Ms. Bur is not currently licensed for foster care.

Exiting information (including second floor and basement):

There are three exits from the addition. The first exit is the front door and provides

egress to the front yard. The second exit is the back door and provides egress to the back yard. The third exit is the side door and provides egress through the attached garage to the back yard.

Outdoor play area description:

The outdoor play area is located in the back yard. There is a four foot high fence surrounding the outdoor play area to protect children from the pool located in the back yard. The gate was latched at the time of inspection. The latch is at a height that it is inaccessible to children. There is no elevated play equipment.

There is one dog in the home. Ms. Bur states that the dog have supervised contact with the children in care. There are no fireplaces or wood burning stoves in the home.

V. Recommendation

I recommend the approved child care space located in the addition on the west side of the attached garage include: the main child care room and the bathroom.
