07/19/2017 Modification Request Received

07/19/2017 On-site Inspection Completed

IV. Description of Findings and Conclusions

On 07/19/2017 I completed an onsite inspection. Bedroom two and bedroom three were free of hazards and both rooms have a working fire alarm.

Description of Facility

The one story home is located on a quiet street in town and has a detached garage to the right of the house.

Rooms and levels approved for child care use: The living room, family room, dining room, three bedrooms, and kitchen are approved child use space. The bathroom is located off the family room between bedroom one and bedroom two.

Areas not approved: The master bedroom and storage room are neither approved nor used for child care.

Ages of children served: The licensed group child care home serves children birth through 12 years.

Equipment: There is a variety of developmentally appropriate toys and equipment including infant toys, cars, dolls, gross motor activities, art supplies, and books.

Proposed days and hours of operation: The licensed child care group home is open Monday through Friday from 5:00 AM to 5:00 PM.

Previous or concurrent licenses, including children's foster care: The licensee, Darlene Jessup, was previously licensed as DF180095730 from February 14, 2001 until February 29, 2004 and as DF180381396 from June 20, 2016 until January 9, 2017.

Exiting information (including second floor and basement): There are three exits in the licensed group home. The first exit is in the living room and provided egress to the front yard. The second exit is in the family room and provides egress to the backyard. The third exit is in the back entryway and provides egress to the backyard.

Outdoor play area description: The outdoor play area is in the backyard and can be accessed from the family room or back entryway. The play area is not fenced in

and all equipment is less than 30 inches high. Balls, bikes, a playhouse, and other developmentally appropriate equipment is available to children.

Explanation of variances, if any: There are no approved variances for this licensed group home.

V. Recommendation

I recommend adding bedroom two and bedroom three to the approved child use area.
