RE: License #: DC730245772
Great Beginnings CCCC & K
2839 Liberty Road
Saginaw, MI 48604

Dear Ms. Bartlett:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 08/01/2017. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131 Professional development requirements.

(7) All program directors, lead caregivers, and at least 1 caregiver on duty in the center at all times in programs serving preschool age children and younger shall have current first aid and infant, child, and adult CPR training.

None of the caregivers on duty at the time of the inspection had current CPR training; it had expired in May.

Shortly after the onsite inspection, Ms. Bartlett contacted me to inform me the class was scheduled for 08/15/17.

Violations were identified at the time of the inspection. You have provided an acceptable written corrective action plan.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Toni L. Stagray".
