The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Technical Assistance was provided for the following:

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9720.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.
