## II. Purpose of Addendum

On 06/06/2018 Ms. Jones requested that the spare bedroom at the end of the hallway be added as approved child use space.

## III. Methodology

06/06/2018 Modification Request Received

06/06/2018 Inspection Completed on-site – Renewal

## IV. Description of Findings and Conclusions

The terms of the original license have been modified on 06/07/2018.

On 06/06/2018 Ms. Jones requested that the spare bedroom at the end of the hallway be added as approved child use space. The bedroom will be used at nap time for children sleeping in cribs or pack and plays. On 06/06/2018 the bedroom was inspected and found to be safe and appropriate for child use space.

### A. Description of Facility

The home is a single-story home without a basement located just outside the city of Gaylord.

**Rooms and levels approved for child care use:** The child use space located on the main floor includes: the kitchen/dining room/living room, formal dining room, bathroom off the front entry way and spare bedroom located at the end of the hallway.

**Areas not approved:** The master bedroom, spare bedroom at the end of the hallway, main bathroom and family room are neither used nor approved for child care.

**Ages of children served:** This facility serves children age birth through 12 years.

**Equipment:** There is a sufficient supply of developmentally appropriate equipment for the requested capacity of 12 children age birth through 12 years.

**Proposed days and hours of operation:** This facility operates Monday through Friday from 7:00 am through 5:30 pm.

**Previous or concurrent licenses, including children's foster care:** Ms. Jones has been previously registered for child care at the same address since 08/18/2017, DF690389526. Ms. Jones is not concurrently licensed for foster care.

**Exiting information (including second floor and basement):** There are two exits from the home. The first exit is the front door located in the front entry way and provides egress to the side yard. The second exit is the back door located in the family room and provides egress to the side yard.

**Outdoor play area description:** The outdoor play area is located in the unfenced back yard. There are no elevated play structures.

There is one dog in the home, a Mastiff. Ms. Jones states that the dog has supervised contact with the children in care. There is a fireplace in the living room. Ms. Jones states that the fireplace is never used. There are no water hazards.

## V. Recommendation

I recommend that the child use space located on the main floor include: the kitchen/dining room/living room, formal dining room, bathroom off the front entry way and spare bedroom located at the end of the hallway.
