Dear Ms. Jessup:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 07/25/2018. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

I observed free play and infant meal time. Ms. Jessup and her assistant caregiver were nurturing and provided a variety of developmentally appropriate activities.

Your facility was found to be in compliance with the requirements of Act No. 116 of the Public Acts of 1973, as amended and the applicable Administrative Rules.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in blue ink that reads "Candice Case-French". The signature is written in a cursive style with a horizontal line under the "French" part.
