RE: Application #: DG490395332  
**Becker Daycare**  
**380 Ferry Lane**  
**Saint Ignace, MI 49781**

Dear Mrs. Becker:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, a provisional license 12 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

*Chere Crudo*

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Description of Facility

This facility is a two-story home with a basement located in the city of Saint Ignace.

### Rooms and levels approved for child care use:

The approved child use space located in the basement includes: the playroom, office, kitchen, living room/dining room and bathroom.

### Areas not approved:

The main floor and second floor are neither approved nor used for child care.

### Ages of children served:

This facility serves children age birth through 12 years.

### Equipment:

There is an adequate supply of developmentally appropriate equipment and supplies for the age range and licensed capacity of 12 children.

### Days and hours of operation:

This facility operates Monday through Friday 7:00am- 5:00pm.

### Previous or concurrent licenses, including children's foster care:

Ms. Becker was previously registered for child care at the same address, DF490346263. Ms. Becker is not currently licensed for foster care.

### Exiting information (including second floor and basement):

There are two exits from the basement of the home. The first exit is the stairs leading to the main floor of the home. The second exit is an emergency escape window located in a storage room next to the living room. The bottom of the window measures 28 inches off the floor. The sill height is below grade and opens into a window well with permanently affixed steps. The window well and unobstructed window area for egress meet current licensing rules for child care homes.

**Outdoor play area description:**

The outdoor play area is located in the unfenced back yard. There is a 36-inch slide with mulch as the cushioning material.
