Dear Ms. Timreck Tamm:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a capacity of 6 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in cursive script that reads "Jeannie C. Ellis".

## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Description of Facility

This facility is a 1 ½ story home without a basement located just outside the city of Oscoda.

### Rooms and levels approved for child care use:

The approved child use space is located on the main floor of the home and includes the living room, dining room, kitchen and bathroom.

### Areas not approved:

The master bedroom, upstairs, and attached garage are not approved for child use.

### Ages of children served:

This facility will serve children from 4 months of age through 13 years of age.

### Equipment:

There is an adequate supply equipment and supplies for the requested capacity of 6 children. Ms. Timreck-Tamm stated she understands she needs to add additional equipment and supplies to accommodate for a wider variety of developmental needs of children.

**Proposed days and hours of operation:**

This facility will operate Monday through Friday from 5:30am through 6:30pm.

**Previous or concurrent licenses, including children's foster care:**

Ms. Timreck-Tamm has not been previously licensed for child care or foster care.

**Exiting information (including second floor and basement):**

There are four exits from the main floor of the home. Two exits are remote of each other and provide egress to the outside. The first exit is located off the dining room and provides egress to the outside front yard of the home. The second exit is located off the living room and provides egress to the outside back yard of the home. The additional two exits are as follows: the second exit off the dining room that leads out to the deck that you must walk down the side of the home and around to the front by the front exit of the home; there is also an exit off the kitchen through the attached garage. The path through the garage is narrow.

**Outdoor play area description:**

The outdoor play space is located on the side of the home. It is a large wooded area. There is a trampoline and a swing set. Neither of these items are approved for child uses. Ms. Timreck- Tamm stated she understands and will not allow children to use these items. She states she will be outside at all times providing direct supervision.

Additional information:

- Pets? No  Yes  If yes, describe. There is one small mixed breed dog. The dog will have limited supervised contact with the children in care.
- Hot tubs or spa pool? No  Yes  If yes, are there appropriate barriers? There is a hot tub on the deck. The hot tub is drained and has a permanently attached hard cover that has been screwed onto the hottub.
