RE: License #: DG730087520
Marsh, Heather
4169 Marlyn Avenue
Saginaw, MI 48603

Dear Ms. Marsh:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 03/19/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

I observed five children in care at the time of the inspection. The older children were eating lunch. Ms. Marsh's interactions with the children were appropriate and nurturing. The child care space was organized, clean and comfortable for child care. I left the licensee information regarding new training requirements (Health & Safety) and MiRegistry.org.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.0

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in black ink that reads "Toni L. Stagray". The signature is written in a cursive style with a large initial 'T' and 'S'.
