Dear Ms Ganesh:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/11/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

I provided consultation and reminded Ms Ganesh that all staff has to complete the health and safety training. I referred her to the MIregistry and the legislative edition of the Michigan Child Care Matters for more information.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (313) 456-0380

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

In
