RE: License #: DG170379135
Maleport, Jena
237 West 8 Mile Road
Sault Ste Marie, MI 49783

Dear Ms. Maleport:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 05/22/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the on-site inspection the programming I observed included the following: free play. I observed the caregiver's interactions with the child in care to be developmentally appropriate and responsive to their needs.

There were no rule violations.

Your facility was found to be in compliance with the requirements of Act No. 116 of the Public Acts of 1973, as amended and the applicable Administrative Rules.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services. During the exit conference, I provided technical assistance and consultation to Ms. Maleport on the following: outdoor play area and cleaning and sanitizing the diapering area after each use.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Chere Crudo".
