Dear Ms. Wade:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/08/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this inspection, there were 15 children and 3 caregivers present. When I arrived, children were being screened for hearing and vision. I observed caregivers take children out for a walk, group singing with letters and numbers, and lunch being served. I observed children wash their hands before lunch. Caregivers actively interacted with children in a caring and developmentally appropriate manner.

There were no rule violations.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9720.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Linda Strube".
