Dear Ms. Bartlett:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 06/25/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8161 Emergency procedures.

(5) A fire drill program consisting of at least 1 fire drill quarterly shall be established and implemented.

The log of emergency drills indicated in 2018, a fire drill was not conducted in the first quarter of the year (January, February, March).

R 400.8182 Ratio and group size requirements.

(5) Children who have reached 33 months of age may, when developmentally appropriate, be enrolled in a 3-year-old classroom with written parental permission. The ratio listed in subrule (3)(c) of this rule shall apply.

One child in care in the three-year-old classroom did not have the appropriate documentation signed by his/her parent to give permission for enrollment at age 33 months in the three year old classroom.

Violations were identified at the time of the inspection. You have provided an acceptable written corrective action plan.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Toni L. Stagray".
