Dear Tina Micheaux:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 06/18/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

There were no rule violations.

During the on-site inspection the children were engaged in outdoor child directed activities. Ms. Micheaux plans the daily activities based on the ages and development of the children in care. She focuses on the basic learning domains.

Your facility was found to be in compliance with the requirements of Act No. 116 of the Public Acts of 1973, as amended and the applicable Administrative Rules.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284-9720.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Darlese McConnell". The signature is written in black ink and is positioned above the typed name and contact information.
