RE: License #: DC710258820
Rogers City Montessori
719 N Bradley Hwy
Rogers City, MI 49779

Dear Ms. Peltz:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/12/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection the programming I observed included the following: free choice, snack and toileting. I observed the caregivers' interactions with the children in care to be developmentally appropriate and responsive to their needs.

There were no rule violations.

Your facility was found to be in compliance with the requirements of Act No. 116 of the Public Acts of 1973, as amended and the applicable Administrative Rules.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services. I provided technical assistance and consultation on the following: rest time/ quiet time for older children in care.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your licensing notebook.

Sincerely,

A handwritten signature in cursive script that reads "Chere Crudo".
