Dear Ms. Bagnasco:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 09/12/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

As a result of the inspection, I did not find any rule or law violations. I observed the following programming; breakfast and free choice play. The caregiver's interactions with the children in care were respectful, developmentally appropriate, and responsive to the needs of the children in care.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (989) 732-8062.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

*Jeannie C. Ellis*
