Dear Ms. Pell:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 10/18/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

**R 400.8125            Staff and Volunteers.**

(1) All staff and volunteers shall provide appropriate care and supervision of children at all times.

Appropriate care was not provided during the onsite inspection on 10/18/2019. Three toddlers were sitting in high chairs for approximately 15-20 minutes waiting for lunch. Child care staff were not interacting with these children and nothing was provided to keep them busy during this time.

Due to the violations, you must send us a corrective action plan by 11/10/2019. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (616) 356-0183.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in blue ink that reads "Rebecca Wagster". The signature is written in a cursive style.
