Dear Ms. Pell:

This letter is to advise you that the 10/30/2019 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1) Staff and volunteers.	Appropriate care was not provided during the onsite inspection on 10/18/2019. Three toddlers were sitting in high chairs for approximately 15-20 minutes waiting for lunch. Child care staff were not interacting with these children and nothing was provided to keep them busy during this time.	Caregivers have been informed of positive interactions and activities to do with children. They have also been instructed to not put children in high chairs until lunch is completely ready.	10/18/2019

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
