A. Description of Facility

Approved space (room numbers, sizes, capacity and ages of children for which each room/well-defined space is approved, etc.):

- Room 100 - This Head Start classroom has a total area of 818 square feet, which is adequate for 23 preschoolers at any one time. The room is licensed for 20 children but enrolls 18. The room is self-contained and has a toilet and a sink.
- Room 101 - This Head Start classroom has a total area of 748 square feet, which is adequate for 21 preschoolers. This room is licensed for 20 children but enrolls 18. The room is self-contained with a toilet and a sink.
- Room 109 – This office has a total of 276 square feet. This area will only be used for individualized speech services with a speech teacher.
- Room 121 – This Head Start GSRP Classroom has a total area of 844 square feet, which is adequate for 25 preschoolers. This room is licensed for 18 children
- Cafeteria - The cafeteria has a total area of 2,940 square feet. This is sufficient for 84 preschool children. Both Eight CAP Head Start classes and the Eight CAP GSRP class will use this room for meals and occasional large group activities. The Mt Pleasant Public Schools GSRP classes also use the cafeteria.
- Gymnasium - The gymnasium is 47 ½ x 68, providing a total of 3,230 square feet, which is adequate for 92 preschool children. All Eight CAP and Mt. Pleasant Public Schools early childhood programs use this space for gross motor activities.

Equipment:

Mt Pleasant Head Start has a more than adequate collection of age appropriate furniture, toys and equipment for the approved capacity of 58 children.

Number of sinks and toilets:

Classrooms 100 and 101 each have a restroom with a toilet. Both rooms have sinks located outside the restrooms in the classrooms. There is also an approved set of bathrooms adjacent to the cafeteria. One bathroom has four toilets and two sinks, and the other bathroom has two toilets, two urinals, and two sinks.

Documentation if a lead assessment was required and the results:

A lead risk hazard assessment was conducted on 08/13/10. A report dated 08/19/10 stated that there are no lead paint or lead based hazards in Room 100, 101, 105, 106, the gymnasium or the playground. Subsequent lead risk hazard assessments have been completed on 8/11/2014, 8/22/2014, and 11/5/2018 stating there are no lead risk hazards in rooms 109, 121, 125, or the set of restrooms adjacent to the cafeteria.

Documentation of playground safety:

Mount Pleasant Head Start and GSRP children will use the playground at Rosebush Elementary. The play area is outside the south door of the building. Playground equipment was inspected by a certified playground inspector on 09/07/10. Approved equipment includes the All-In-One, the dome climber, the car climber and the four-bay swing set. There are no water hazards in the vicinity.

B. Program Description

Ages of children served:

The program will be licensed for ages 2 ½ through 6, however the majority of children enrolled in the program will be 4 years old.

Proposed days and hours of operation:

The program operates during the regular school year, Monday through Fridays.

Full or part time (AM or PM sessions or both):

Head Start offers both half day and full day programs. The morning program operates from 8:30 am to noon and the afternoon class runs from noon until 3:30. The full day program operates from 7:30AM – 3:30PM.

Other program components - transportation, swimming, food service:

The facility offers food service, transportation, and GSRP.

Name of program director and under what rule the program director is qualified.

Brittany Grim was approved as a program director on 1/22/2011 under R400.8113 (9)(a) and (13). Brandi Nixon was approved as a program director on 9/22/2015 under R400.8113(9)(a) and (16). Victoria Augustine was approved as a program director on 8/31/2018 under R4008113(9)(a) and (13).

Is there a central administrator that meets the administrative requirement?

Janel Boulis was approved as the central administrator on 2/23/2018

Explanation of variance(s), if any:

There are no variances.

V. Recommendation

I recommend the program's days and hours of operation are Monday-Friday from 7:30AM to 3:30PM.
