Dear Ms. Bovee:

This letter is to advise you that the 01/21/2020 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8137(1) Diapering; toileting	The caregiver in the infant room did not use the diapering sink to wash hands after diapering.	All staff will be re-trained on using the diapering sink only after diapering.	1/22/2020
R 400.8325(1) Sanitization	The meal tables were not washed rinsed and sanitized after afternoon snack in Toddler room 2. The children used the same table to do table-top activities.	All staff will be re-trained on the 3- step process for cleaning tables after meals/snacks.	1/22/2020

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.
