Dear Melody Halvorsen:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your home on 10/25/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

During the inspection, I observed Ms. Halvorsen caring for two children. The children played and interacted with Ms. Halvorsen while we discussed programming and activities that she provides to the children. Ms. Halvorsen and I discussed that she incorporates learning experiences into the daily routine. We discussed counting food items and reading. We also discussed that Ms. Halvorsen incorporates science into the day by talking about the weather. Ms. Halvorsen responded to the children in a calm manner and met their needs with care.

As a result of the inspection, I did not find any rule or law violations.

During calendar year: 2019	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
