Dear Ms. Tank:

This letter is to advise you that the 03/06/2020 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125 (1) Staff; volunteer; requirements.	Appropriate care and supervision were not provided to Child A and Child B when staff were not paying attention to what the children were doing in the dramatic play area.	Caregivers will rotate their positions in the classroom every 15 minutes during worktime. During this time they will walk around and engage with each group of children and ensure all play is appropriate. Directors will check in more frequently to ensure this is being carried out.	10/14/2019

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.

Sincerely,
