Dear Ms. Houser:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your home on 11/18/2019. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Family and Group Child Care Homes.

At the time of this onsite inspection, there was one child in care, and Ms. Houser's two children. Ms. Houser explained that she is just returning from maternity leave and is currently only caring for one child. During this inspection, children were engaged in free play. Ms. Houser met the needs of the children in a caring and developmentally appropriate manner.

The violations that were found are:

R 400.1907 Children's records.

(3) Dated daily attendance records of children in care shall be maintained and shall include the child's first and last name and the time of arrival and departure.

Ms. Houser did not ensure that daily attendance records of children in care included the time of arrival and departure. One child was not signed in at the time of arrival and signed out at the time of departure.

R 400.1944

Smoke detectors; fire extinguishers.

(3) A home shall have at least 1 functioning multipurpose fire extinguisher, with a rating of 2A-10BC or larger, properly mounted not higher than 5 feet from the floor to the top of the fire extinguisher, on each floor level approved for child use.

Ms. Houser did not ensure that the fire extinguisher was mounted not higher than 5 feet from the floor to the top of the fire extinguisher. The fire extinguisher was placed in a cabinet and was not mounted.
