Dear Ms. Alighire:

This letter is to advise you that the 05/27/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8140(2)(a)	On 04/07/2021, Ms. Busch rubbed her nail in a flicking motion on Child A and Child B's forehead to demonstrate not touching another person without permission. This made Child A cry. This was done during a disciplinary discussion after several children in the classroom were not following the rules.	You indicated that staff will not flick or otherwise touch children in an inappropriate way.	05/27/2021

R 400.8140(2)(d)	On 04/07/2021, Ms. Busch engaged in a conversation with the children in the classroom about going to kid jail in an attempted to get them to listen to the child care staff members after several children were exhibiting behavior issues.	You indicated that children will not be exposed to conversations that can make them feel threatened or scared in an effort to get them to behave.	05/27/2021

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (866) 685-0006.

Sincerely,
