## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Physical Description of Facility

Tutor Time is a large facility consisting of nine classrooms, as well as a completely fenced outdoor play area. The center consists of the following rooms:

Prepper	875 square feet – 24 children (2 ½ to 3 years)
Pre – K	832 square feet – 24 children (4 years and older)
Older Twaddler	691 square feet - 14 children (2 to 2 ½ years)
Toddler	628 square feet - 12 children (10 to 15 months)
Older Toddler	828 square feet - 16 children (17 to 21 months)
Infant	461 square feet - 9 children (birth to 9 months)
Pre School 1	730 square feet – 21 children (3 years)
Pre School 2	793 square feet - 23 children (3 years)
Village	820 square feet - currently used as a large muscle exercise room for all children.

The total capacity of the center is 51 infants and toddlers and 92 children from two and half years old up to 12 years old.

The outdoor play area is accessed through an exit in one of the rooms. The area has several climbers with small slides. A small paved path can be used for riding toys and tricycles.

The center's furnace is roof mounted.

### B. Program Description

The Tutor Time philosophy as identified in their handbook is aimed at providing opportunities for play and exploration in a variety of developmentally appropriate activities. Some of the activities for toddlers include story time, flannelboard, fingerplays, art activities, music activities including singing and movement activities.
