II. Purpose of Addendum

Modification of use space.

III. Methodology

Onsite inspection.

IV. Description of Findings and Conclusions

The Registrant has requested approval to use the basement in addition to previously approved space.

The basement has approximately 535 sq. ft. and is adequate for the registered capacity of 6 children.

The basement has an appropriate exit window and access stairway. The basement is equipped with the appropriate smoke alarm, carbon monoxide detector, fire extinguisher, and radon test. Equipment is adequate, varied, and accessible for the requested capacity of six children.

V. Recommendation

Approval of the basement as child use space is recommended.
